Advance Cold Room

We, Advance Cold Room, are specialized in designing, manufacturing and install complete Cold Room, Cold storage system under brand "COOLEST" for controlling temperature from -40C to 18C. We developed a very special high technology of Frequency inverter together with defrost on demand to achieve

the best energy saving, which usually result in 30-50% saving. We use technology of High Density PU Insulation for the best space saving and energy saving for our clients.

We also provide complete solution for "COOLEST" SMART COLD ROOM system which is Distance Control & Monitoring for the cold storage system, you can now access the status and control of your cold storage at anywhere anytime

ACR Factory

Technical Parameters

Model	SAGA 150L	SAGA 220L	SAGA 610L	SAGA 830L
Layers	5	10	10	15
Voltage	220	220/380	220/380	220/380
Frequence	50/60	50/60	50/60	50/60
Phase	1	1/3	3	3
Refrigerant	R-404A	R-404A	R-404A	R-404A
Condenser	Air	Air	Air	Air
Power / KW	1.5	2.79	3.75	3.75
Inner Capacity / CM	62 x 40 x 60	62 x 40 x 60	132 x 43 x 108	62 x 77 x1 72
Dimension / CM	82 x 77 x 140	82 x 95 x 190	144 x 82x 180	132 x 136 x 193
Net Weight / KG	160	250	465	648

SAGA 150L

- Original Imported Aspera, Tecumseh or Bitzer Compressor and Danfoss Expansion valve
- UFI approved environment-friendly **R404A** refrigerant and foaming materials
- AISI304 food-grade stainless steel
- One year warranty for the whole machine and three years for compressor
- Blast Freezer is essential equipment for making Italy Artisan Gelato. It can ensure the core temperature of ice cream (seafood etc) to pass through **0-5°C** in a short time which can prevent ,bacterial growing and keep fresh always.

SAGA 220L

- Original Imported Aspera, Tecumseh or Bitzer Compressor and Danfoss Expansion valve
- UFI approved environment-friendly **R404A** refrigerant and foaming materials
- Italy Dixell temperature sensor, weiguang motor and other top brand chinese electrical control componets
- AISI304 food-grade stainless steel
- One year warranty for the whole machine and three years for compressor
- Blast Freezer is essential equipment for making Italy Artisan Gelato.It can ensure the core temperature of ice cream (seafood etc) to pass through **0-5°C** in a short time which can prevent ,bacterial growing and keep fresh always.

COMPONENTS

LCD Creen Water-proof switch
Intelligent One-key Operation

Original Imported Compressor
Heart of cooling system
Durable in use

Exterior rotor motor(Circular)
Axial flow motor(Square)
for choice

Water-proof sockets
for different countries

Italy temperature controller
Automatically Defrosting

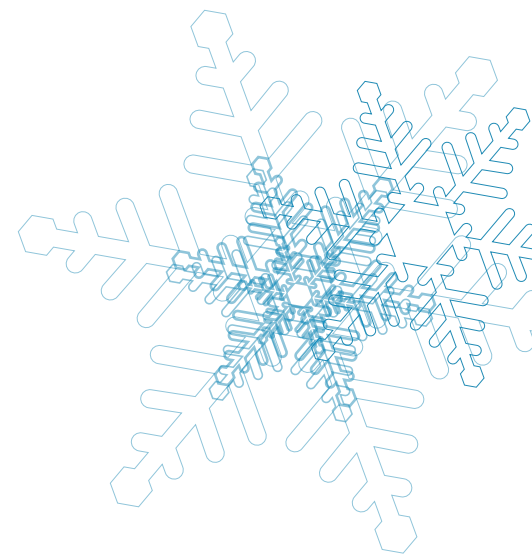

Danfoss Expansion Valve
all stainless steel components

Adjustable layers
for any kind food requirements

Movable wheels
easy for moving

BLAST FREEZER

DETAILS

SAGA 830L

- Original Imported Aspera, Tecumseh or Bitzer Compressor and Danfoss Expansion valve
- UFI approved environment-friendly **R404A** refrigerant and foaming materials
- AISI304 food-grade stainless steel
- One year warranty for the whole machine and three years for compressor
- Blast Freezer is essential equipment for making Italy Artisan Gelato. It can ensure the core temperature of ice cream (seafood etc) to pass through **0-5°C** in a short time which can prevent ,bacterial growing and keep fresh always.

COMPONENTS

LCD Creen Water-proof switch
Intelligent One-key Operation

Original Imported Compressor
Heart of cooling system
Durable in use

Exterior rotor motor(Circular)
Small size, low noise

Water-proof sockets

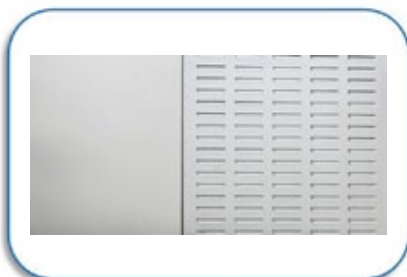

Italy temperature controller
Automatically Defrosting

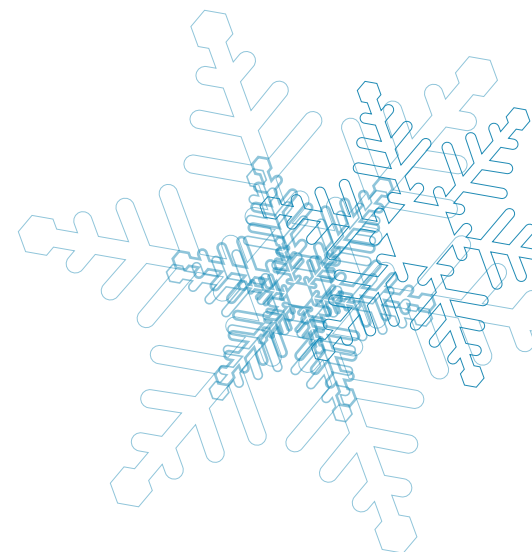

Danfoss Expansion Valve

15 layers movable cart
for easy food moving

AISI 304 Stainless Steel
food grade, heatproof
and corrode-proof
